AMENDED SETTLEMENT AGREEMENT

This Amended Settlement Agreement ("Agreement") is made and entered into as of this 11th day of December 2018, by and among (i) Plaintiff, as defined in Section I.BB below ("Plaintiff"), on behalf of himself and the Settlement Class, as defined in Section I.UU; and (ii) the Defendant Samsung Electronics Canada Inc. ("SECA") to settle, fully and finally, all of the claims that have been brought in this class action lawsuit on behalf of Plaintiff and the Settlement Class against Defendant relating to certain washing machines described below. Plaintiff and Defendant are collectively referred to herein as the "Parties."

WHEREAS a dispute has arisen among the Parties concerning certain Samsung top-load washing machines specifically defined below (hereinafter referred to as the "Washers");

WHEREAS Plaintiff filed a class-action lawsuit identified in Section I.T below ("Lawsuit") against Defendant and Samsung Electronics America, Inc. ("SEA") in Court alleging, among other things, that the Washers had experienced excessive vibration and detachment of their top from the washing machine chassis, and asserting claims for breach of the *Consumer Protection Act, 2002*, the *Competition Act* and the *Sale of Goods Act*, negligence and unjust enrichment;

WHEREAS SEA does not manufacture, market or sell in Canada the Washers sold by SECA that are the subject of the Lawsuit, and the Court will be asked, prior to implementation of this settlement, to approve a dismissal of the Lawsuit as against SEA with consequential amendments to the style of cause;

WHEREAS Defendant denies the allegations in the Lawsuit, including without limitation that the Washers are defective and assert numerous defenses to the claims alleged by Plaintiff;

WHEREAS, the Parties engaged in arms-length settlement discussions and a mediation session with an experienced and accomplished mediator and former Justice of the Supreme Court of Canada, the Honourable Thomas Albert Cromwell, and the Parties now wish to resolve all claims, disputes, and differences among them;

WHEREAS Plaintiff's Counsel have reviewed and analyzed the information provided by Defendant and obtained through their own investigation; consulted with experts; examined and considered the benefits to be provided to the Settlement Class Members under the Settlement provided for in this Agreement; considered the laws of all relevant jurisdictions, and the claims that could be asserted under those laws regarding the Washers; considered the risks, costs, and time associated with prosecuting this case through one or more trials and appeals; and believe the Agreement to be in the best interest of the Settlement Class Members, taking into account the risks and costs of continued litigation, and the length of time that would be required to complete the litigation and any appeals;

WHEREAS Defendant has at all times disputed, and continues to dispute, Plaintiff's allegations in the Lawsuit and denies any liability for any of the claims that have or could have been raised regarding the Washers by Plaintiff or Settlement Class Members, but believes that the comprehensive resolution of the issues in the Lawsuit as provided in this Agreement will avoid the substantial costs and disruptions of continued litigation, and is the most effective and least costly resolution of the Lawsuit;

WHEREAS the Parties understand, acknowledge, and agree that this Agreement constitutes the compromise of disputed claims and that it is their mutual desire and intention that the Lawsuit be settled and dismissed, on the merits and with prejudice, and that the Released Claims be finally and fully settled and dismissed, subject to and according to the below terms and conditions.

IV. BENEFITS PROGRAM

A. Enhanced Minimum Recall Rebate and Settlement Recall Rebate:

1. For Settlement Class Members who are original purchasers and who selected a Recall Rebate under the Voluntary Recall for the purchase of a new, replacement Samsung washing machine, or who select such a Recall Rebate no later than the Claims Deadline and claim the Recall Rebate within 6 months of selecting the Recall Rebate, SECA will provide an Enhanced Minimum Recall Rebate equal to a net 15.5 percent of the Estimated Purchase Price of the Claimant's Washer. Therefore, a Claimant who previously obtained a Recall Rebate under the Voluntary Recall in a lower amount would, under the Enhanced Minimum Recall Rebate, receive the difference in value, if any, between 15.5 percent of the Estimated Purchase Price of the Claimant's Washer and the lower percentage of the Estimated Purchase Price that the Claimant previously received for his or her Recall Rebate under the Voluntary Recall. For example, if a Claimant previously received a Recall Rebate valued at 6 percent of the Estimated Purchase Price of the Claimant's Washer, then the Claimant would be eligible under this Agreement to receive an electronic transfer or check in the amount necessary to increase the net value of their Recall Rebate to 15.5 percent of the Estimated Purchase Price of the Claimant's Washer (in this example, the referenced check would be in an amount equivalent to 9.5 percent of the Estimated Purchase Price of the Claimant's Washer). For a Class Member who selects a Recall Rebate after the Settlement Notice Date and no later than the Claims Deadline, and who purchases the replacement Samsung brand washer and claims the Recall Rebate within 6 months of making that selection, or of the Claims Deadline, whichever is earlier, will receive an Enhanced Minimum Recall Rebate of 15.5 percent of the Estimated Purchase Price of the Claimant's Washer.
2. For a Settlement Class Member who is an original purchaser and who both selects a Recall Rebate and purchases a non-Samsung branded washer in the period between the Settlement Notice Date and the Claims Deadline, and who submits a Valid Claim no later than the Claims Deadline, SECA will provide a Settlement Recall Rebate equal to a net 15.5 percent of the Estimated Purchase Price of their Washer. To avoid any uncertainty, a Settlement Class Member who selects a Recall Rebate can only receive one of either an Enhanced Minimum Recall Rebate or a Settlement Recall Rebate (if otherwise available), and never both.
3. To obtain a rebate under this Section IV.A, the following procedures apply:

- a. For a Claimant who has already received a Recall Rebate but whose Recall Rebate was less than 15.5 percent of the Estimated Purchase Price of the Claimant's Washer, such Claimant must submit no later than the Claims Deadline: (1) a properly completed and executed Claim Form; and (2) documentation evidencing (i) that the Claimant previously participated in the Voluntary Recall and selected the Recall Rebate option, and (ii) the dollar amount of the Recall Rebate received by the Claimant under the Voluntary Recall; or
 - b. For a Settlement Class Member who is an original purchaser and, who, following the Settlement Notice Date, selects a Recall Rebate under the Voluntary Recall and seeks to receive the Enhanced Minimum Recall Rebate, such Settlement Class Member must have selected the Recall Rebate by the Claims deadline, and must submit within 6 months of making the selection, or of the Claims Deadline, whichever is earlier, a properly completed and executed Claim Form stating the model number and serial number of the Settlement Class Member's Washer and such other documentation as are required to receive the Recall Rebate (e.g. proof that the Washer has been disposed of and is no longer in use, and proof of purchase of a Samsung brand washer). The Enhanced Minimum Recall Rebate of 15.5 percent shall be available to all such Settlement Class Members who first select a Recall Rebate following the Settlement Notice Date so long as they select it no later than the Claims Deadline, and otherwise comply with this Section IV.A.3.b.
 - c. For a Settlement Class Member who is an original purchaser and who both selects a Recall Rebate and purchases a non-Samsung branded Washer in the period between the Settlement Notice Date and the Claims Deadline, and seeks to receive the Settlement Recall Rebate, such Settlement Class Member must submit no later than the Claims Deadline a properly completed and executed Claim Form stating the model number and serial number of the Settlement Class Member's Washer and such other documentation as would be required to receive the Recall Rebate for Samsung brand washers (e.g. proof that the Washer has been disposed of and is no longer in use, and proof of purchase of a non-Samsung brand replacement washer in the relevant time period).
4. Settlement Class Members who select the Recall Rebate and participate in the Enhanced Minimum Recall Rebate or Settlement Recall Rebate are not eligible for any other benefit or compensation under this Section IV.

B. Recall Repair Additional Benefit:

1. For Settlement Class Members who are original purchasers and chose before the Settlement Notice Date, or who choose no later than the Claims Deadline, a Recall Repair, a Samsung Authorized Service Center

will provide such Claimants with a free in-home repair to reinforce their Washers' top. Defendant will further provide those Claimants a:

- a. \$25.00 cash rebate for purchase of any Samsung microwave oven;
 - b. \$50.00 cash rebate for purchase of any Samsung Major Home Appliance with a purchase price (not including sales taxes, delivery fees, and installation charges) between \$0.00 and \$900.00;
 - c. \$75.00 cash rebate for purchase of any Samsung Major Home Appliance with a purchase price (not including sales taxes, delivery fees, and installation charges) between \$900.01 and \$1,500.00;
 - d. \$85.00 cash rebate for purchase of any Samsung Major Home Appliance with a purchase price (not including sales taxes, delivery fees, and installation charges) of \$1,500.01 and higher.
2. The cash rebate: (a) has a one (1) year expiration date from entry of the Settlement Approval Order; and (b) is transferable to any Claimant's Household Member or Claimant's Immediate Family Member.
 3. To obtain a Recall Repair Additional Benefit under this Section IV.B, Claimants must submit to the Settlement Administrator no later than the Claims Deadline a properly completed and executed Claim Form containing any requisite accompanying documentation, which must include: (a) the model number and serial number of the Claimant's Washer; (b) a statement that the Claimant (i) has affixed to his or her Washer's control panel the control panel guide provided in the Home Label Kit, and (ii) operates his or her Washer in accordance with the additional safety instructions provided in the Home Label Kit; (c) a designation of the Claimant's Household Member or Claimant's Immediate Family Member, if any, to whom the Claimant wishes to transfer his or her cash rebate; and (d) a signed statement under penalty of perjury from the Claimant attesting that all of the statements in the Claim Form are true and correct. If the Settlement Administrator determines that the Claimant has submitted a Valid Claim, the Claimant will be provided by way of email or mail with Canada Post with a Recall Repair Additional Benefit Rebate Form. The Form and entitlement to the Recall Repair Additional Benefit will expire one (1) year after the Settlement Approval Date.
 4. A Claimant, or Claimant's Household Member, or Claimant's Immediate Family Member who has been designated by Claimant as the transferee of the Recall Repair Additional Benefit cash rebate, may then redeem his or her Recall Repair Additional Benefit cash rebate no later than the cash rebate's one (1) year expiration date by: (a) purchasing a Samsung microwave oven or a Samsung Major Home Appliance prior to the cash rebate's expiration either from SECA or from any Samsung Authorized

Canadian Retailer that sells Samsung microwave ovens or Major Home Appliances; and (b) submitting in accordance with the instructions on the Recall Repair Additional Rebate Form a properly completed Recall Repair Additional Benefit Rebate Form and proof of purchase. If the submission is validated, the Settlement Administrator or SECA will provide the Claimant, Claimant's designated Household Member or Immediate Family Member with payment by electronic transfer or a check sent by mail with Canada Post for the Recall Repair Additional Benefit cash rebate.

5. Settlement Class Members who participate in the Recall Repair are not eligible for any other benefit or compensation under this Section IV, with the exception of Settlement Class Members who separately qualify for (1) Top Separation Relief, as described below in this Section IV.C and (2) the cash rebate card described in Section IV.D.7 below.

C. Top Separation Relief:

1. For Settlement Class Members who have not participated in the Enhanced Minimum Recall Rebate or Settlement Recall Rebate and whose Washers experience a Top Separation within seven (7) years after the Settlement Class Member purchased his or her Washer, SECA will provide the following Top Separation Relief, to the extent not previously provided to the Settlement Class Member:
 - a. Subject to Section IV.C.1.c, full refund of the purchase price paid by the Settlement Class Member for his or her Washer, upon the provision of proof of the purchase price, failing which the Estimated Purchase Price will be used; and
 - b. Subject to Section IV.C.1.c, reimbursement of Top Separation Expenses incurred by the Settlement Class Member as a result of the Top Separation, expressly subject to the following limitations: (1) Settlement Class Member must submit sufficient documentation evidencing his or her Top Separation Expenses, (2) Top Separation Expenses are capped at a total of \$100.00 per Settlement Class Member, and (3) no more than \$50.00 of Top Separation Expenses may be attributable to Clean-up Costs.
 - c. SECA shall be entitled to deduct from any refund or reimbursement provided for under Sections IV.C.1.a-b any amounts paid to the Settlement Class Member by SECA prior to the Settlement Approval in respect of any Top Separation.
2. To obtain Top Separation Relief under this Section IV.C, Settlement Class Members must submit to SECA at the address provided in the Claim Form, and within the Claims Deadline or 60 days of the Top Separation, whichever is later: (a) the model number and serial number of the Settlement Class Member's Washer; (b) a photograph evidencing the Top Separation; (c) a signed statement under penalty of perjury (i) attesting that Settlement Class Member's Washer experienced a Top Separation, (ii) identifying Top Separation Expenses that Settlement

Class Member experienced as a result of the Top Separation, and (iii) certifying that the recalled Washer has been disposed of and is no longer in use; and (d) documentation evidencing the Top Separation Expenses, including Clean-up Costs, experienced by Settlement Class Member.

3. Top Separation Relief does not include personal injury or damage to Property arising out of or in connection with Top Separation. As expressly provided in Section IX, personal injury and damage to a Settlement Class Member's Property is not a Released Claim under this Settlement.

D. Commitment for Recall Repair:

1. Under the Voluntary Recall, Settlement Class Members who are original purchasers may choose a Recall Repair, in which a Samsung Authorized Service Center provides Settlement Class Members with a free in-home repair to reinforce their Washers' top, and they also receive a one (1) year extension of the manufacturer's warranty.
2. Settlement Class Members who are subsequent purchasers are entitled to request and receive a Recall Repair in which a Samsung Authorized Service Center provides Settlement Class Members with a free in-home repair to reinforce their Washers' top, but without the one (1) year extension of the manufacturer's warranty. Settlement Class Members who are subsequent purchasers are not entitled to any benefits whatsoever under this Agreement except for the benefits to which they may be entitled pursuant to Section IV.C and IV.D.
3. To obtain a Recall Repair under this Section IV.D, Claimants must submit to the Settlement Administrator no later than the Claims Deadline a properly completed and executed Claim Form containing any requisite accompanying documentation, which must include: (a) the model number and serial number of the Claimant's Washer; (b) a statement that they are selecting a Recall Repair (c) a statement that the Claimant has (i) affixed to his or her Washer's control panel the control panel guide provided in the Home Label Kit; (ii) operates his or her Washer in accordance with the additional safety instructions provided in the Home Label Kit; and (d) a signed statement under penalty of perjury from the Claimant attesting that all of the statements in the Claim Form are true and correct.
4. Settlement Class Members who have not submitted a Claim Form and selected a Recall Rebate or Recall Repair (regardless of whether they were entitled to do so) no later than the Claims Deadline will thereafter not be entitled to any benefits whatsoever under this Agreement or the Voluntary Recall except for any benefits to which they are expressly entitled pursuant to Sections IV.D.5-7.
5. Settlement Class Members who request a Recall Repair in the one (1) year after the Claims Deadline will be entitled to a Recall Repair but without any warranty extension.

6. For any Settlement Class Member who requests a Recall Repair in accordance with this Section IV.D after the Settlement Notice Date, where SECA is able to confirm receipt of such a request and that it was made within one (1) year of the Claims Deadline, SECA commits that a Samsung Authorized Service Center will effectuate such Recall Repair within fourteen (14) days of the Settlement Class Member's request.
7. Should a Samsung Authorized Service Center prove unable, solely as a result of an act or omission by the Samsung Authorized Service Center, to effectuate a requested Recall Repair made within fourteen (14) days of a Settlement Class Member's request pursuant to Section IV.D.6, SECA will provide the Settlement Class Member with a one-time \$50.00 cash-equivalent card. However, this provision shall not apply if SECA elects to replace rather than repair the Settlement Class Member's Washer. Further, the fourteen (14) day limit will not apply when the Washer is located 200 km or more from a Samsung Authorized Service Center, in which case the repair will be completed as soon as reasonably practical.
8. To obtain the one-time \$50.00 cash-equivalent card under this Section IV.D, a Settlement Class Member must submit to the Settlement Administrator for verification: (a) the model number and serial number of the Settlement Class Member's Washer; and (b) a signed statement under penalty of perjury attesting (i) to the date, after entry of the Settlement Approval Order, that the Settlement Class Member requested a Recall Repair to his or her Washer, (ii) to the failure of a Samsung Authorized Service Center to effectuate the requested Recall Repair within fourteen (14) days of the Settlement Class Member's request, (iii) that such failure is not attributable to any act or omission by the Settlement Class Member or by any other party apart from the Samsung Authorized Service Center, and (iii) that the Settlement Class Member or another party was reasonably available during the fourteen (14) day period to allow the Samsung Authorized Service Center to perform the requested Recall Repair. Upon SECA's acceptance of a Settlement Class Member's submission, unless otherwise provided herein, SECA will provide the Settlement Class Member by mail with Canada Post with a one-time \$50.00 cash-equivalent card.

V. SETTLEMENT ADMINISTRATION AND NOTICE

- A. SECA agrees to pay for all Administration and Notice Expenses, except that SECA shall not be responsible for any cost that may be incurred by Plaintiff or Class Counsel in: (a) responding to inquiries about the Agreement, the Settlement, or the Lawsuit; (b) defending the Agreement or the Settlement against any challenge to it; or (c) defending against any challenge to any order or judgment entered pursuant to the Agreement, unless otherwise specifically agreed. SECA shall be required to pay the reasonable costs, if any, billed by the Settlement Administrator with respect to work performed by the Settlement Administrator to provide information to the Court regarding the notice and settlement administration process related to challenges or objections to the Agreement or the Settlement.

- B. SECA and Plaintiff's Counsel will agree to select one of Epiq or RicePoint as the Settlement Administrator.
- C. No later than thirty (30) days after the Certification and Notice Approval Order, SECA shall comply with the notice provisions of the *Class Proceedings Act, 1992*, S.O. 1992, c. 6, which may be satisfied by directing the Settlement Administrator to comply with the notice plan set forth in the Certification and Notice Approval Order.
- D. As soon as practicable, but no later than ten (10) business days after the Court's entry of the Settlement Approval Order:
 - 1. The Settlement Administrator shall continue to have a toll-free telephone number that Settlement Class Members can call to request that hard copies of the Claim Form be sent to them by Canada Post and to obtain additional information regarding the Settlement.
 - 2. The Settlement Administrator shall publish a copy of the Settlement Approval Notice in accordance with the approved notice plan set forth in the Settlement Approval Order. The Settlement Approval Notice will encourage Settlement Class Members to complete and submit their Claim Forms online through the Settlement Website, but will also include a toll-free telephone number that Settlement Class Members can use to request that the Settlement Administrator mail them a hard-copy Claim Form and/or Opt-out Form and to obtain additional information regarding the Settlement and Settlement procedures.
- E. To facilitate the efficient administration of this Settlement and to promote provision of benefits pursuant to this Settlement, the Settlement Administrator will establish the Settlement Website that enables Settlement Class Members to:
 - 1. Read the Settlement Approval Notice.
 - 2. Complete, review, and submit a Claim Form online. This shall include the ability to electronically upload and submit documents supporting Settlement Class Members' Claim Forms.
 - 3. Print the completed Claim Form for signature by the Settlement Class Member and mailing to the Settlement Administrator along with any required documentary proof.
- F. The Parties agree that the Settlement Approval Notice, Claim Form, and Settlement Website will provide information sufficient to inform Settlement Class Members of: (1) the essential terms of this Agreement; (2) appropriate means for obtaining additional information regarding the Agreement and the Lawsuits; and (3) appropriate means for, and information about, submitting a Claim Form.
- G. The Parties will ask the Court to approve, in the Settlement Approval Order, the content and manner of publication of the Settlement Approval Notice, the Settlement Website publication of the Settlement Approval Notice, the Settlement Website publication of the Claim Form, all as set forth above in this Section V.

- H. Within ninety-five (95) days after the Court's entry of the Settlement Approval Order, the Settlement Administrator will provide to the Court a declaration of compliance with this plan of notice.

VI. PROCEDURES FOR SETTLEMENT APPROVAL

- A. The Parties shall use their best efforts to effectuate this Agreement, including cooperating in preparing all necessary documents and securing the prompt, complete, and final dismissal, with prejudice, of this Lawsuit.
- B. Settlement Approval
 - 1. At the Settlement Approval Hearing, the Parties will request that the Court make the Settlement Approval Order, which: (a) grants approval to the Settlement and this Agreement as fair, reasonable, and in the best interests of the Settlement Class; (b) provides for the release of all Released Claims and enjoins Settlement Class Members from asserting, filing, maintaining, prosecuting, or assisting in the prosecution of any of the Released Claims in the future; (c) orders the dismissal with prejudice of all claims alleged in the Lawsuit, and incorporates the releases and covenant not to sue stated in this Agreement; (d) authorizes the payment by Defendant of Valid Claims approved by the Settlement Administrator as Valid Claims, in accordance with the terms of the Settlement Approval Order, within sixty (60) days after being notified of the Valid Claims by the Settlement Administrator or the Effective Date, whichever is later; (e) authorizes the payment by Defendant of Lawyers' Fees and Expenses and Service Award for Class Representatives, in accordance with the terms of the Agreement; and (f) preserves the Court's continuing jurisdiction over the administration of the Settlement and enforcement of the Agreement.
- C. All claims by Settlement Class Members to the Settlement Administrator for benefits under Section IV of this Agreement shall be postmarked (in the case of mailed Claims Forms) or received (in the case of Claims Forms submitted through the Settlement Website) within the Claims Deadline, being one-hundred-and-twenty (120) days after the Settlement Approval Order is made. Claims received after this date shall not be Valid Claims.

VII. REQUESTS FOR EXCLUSION AND OBJECTIONS

- A. Any member of the Settlement Class shall have the right to opt out of the Settlement Class by providing the Settlement Administrator with an executed Opt-out Form by timely mailing such form to the Settlement Administrator's mailing address or submitting the Opt-out Form through the Settlement Website. Any Settlement Class Member shall have the right to object to the Agreement, including the Lawyers' Fees and Expenses, by filing with the Court a timely objection. All Opt-out Forms must be postmarked by Canada Post or received by the Settlement Administrator (in the case of Opt-out Forms submitted through the Settlement Website) within sixty (60) days after the Certification Notice is first published. Objections shall be filed with the Court and served on counsel for the

Parties no less than ten (10) days before the Settlement Approval Hearing date in the Certification Notice.

- B. The Settlement Administrator must provide a final list of all opt outs to the Defendant within seventy (70) days after the Certification Notice is first published.

VIII. LAWYERS' FEES AND EXPENSES, AND SERVICE AWARD TO CLASS REPRESENTATIVE

- A. The Parties agree that SECA will pay lawyers' costs and fees up to the total, all-inclusive amount of \$375,000 plus HST and \$20,000 for disbursements, subject to approval of the Court, for all lawyers' fees, costs, expenses, and interest related in any way to work performed or to be performed, and costs and expenses incurred, by or on behalf of Plaintiff or Settlement Class Members in connection with the Washers, the Lawsuit, or the Settlement.
- B. Plaintiff and Class Counsel acknowledge and agree that (1) the lawyers' fees, costs, expenses, and interest set out in this Section VIII.A are in full and fair settlement of any claim for lawyers' fees, costs, expenses, and interest, whether already incurred or incurred in the future, for any activity related in any way to the Washers, the Lawsuit, or the Settlement, and (2) Class Counsel shall not seek any award of lawyers' fees, costs, expenses, or interest in addition to the total, all-inclusive amount set out above in this Section VIII.A, whether already incurred or incurred in the future, and whether incurred by Class Counsel or by any other counsel acting on behalf of any Settlement Class Member.
- C. The Parties agree that Defendant will not oppose the request for a Service Award to the proposed Class Representative in the total amount of \$1,500.
- D. The Parties agree further that Plaintiff shall not seek any award in excess of \$445,250, inclusive of lawyers' fees, costs, expenses, interest, and the Service Award to the proposed Class Representative.
- E. SECA agrees to pay the Lawyers' Fees and Expenses and the Service Award within forty-five (45) days after the Effective Date.

IX. RELEASES

- A. Plaintiff and all Settlement Class Members who do not timely exclude themselves from the Settlement do forever release, acquit, and discharge Releasees from all manner of claims, actions, causes of action, administrative claims, demands, debts, damages, costs, lawyers' fees, obligations, judgments, expenses, or liabilities for loss, in law or in equity, whether now known or unknown, contingent or absolute, including all claims that Plaintiff or any Settlement Class Member now have or, absent this Agreement, may in the future have had, against Releasees, by reason of any act, omission, harm, matter, cause, or event whatsoever that arises from or relates in any way to the Voluntary Recall, any excessive vibration or Top Separation in Washers, or any claim or allegation made in the Lawsuit, including but not limited to all claims for out-of-pocket expenses, consequential damages, diminution-in-value, benefit-of-the-bargain, cost-of-repair, cost-of-replacement, premium-price damages, lawyers' fees,

disgorgement, or statutory damages or penalties (the "Released Claims"), provided that this release will not extinguish, and the Released Claims do not include, claims for: (1) benefits expressly granted under this Agreement, if conditions for eligibility are met (2) personal injury; or (3) damage to Property.

- B. By executing this Agreement, the Parties acknowledge that, upon entry of the Settlement Approval Order by the Court, the Lawsuit shall be dismissed with prejudice, and all Released Claims shall thereby be conclusively settled, compromised, satisfied, and released as to all of the Releasees. The Settlement Approval Order shall provide for and effect the full and final release, by Plaintiff and all Settlement Class Members, of all Released Claims.
- C. As additional consideration for the Settlement and benefits provided by this Agreement, Plaintiff agrees to take all reasonable actions to support any of the Releasees' efforts to obtain dismissal with prejudice of any claims or causes of action brought against them relating to the Released Claims, including any action for contribution or indemnity, that may hereafter at any time be asserted against any of the Releasees by Plaintiff, or by anyone subrogated to any of the Plaintiff's rights in any capacity, and that arise from any loss, injury, property damage, or expense released by this Settlement.
- D. Future or Unknown Harm and Waiver of Statutory Rights: It is possible, although unlikely, that other injuries, damages, losses, or future consequences or results of the sale, purchase, use, non-use, need for repair, or repair of the Washers relating to the Released Claims are not currently known by Plaintiff and Settlement Class Members and will develop or be discovered that relate to the subject matter of the Lawsuit. The release in this Agreement, and the compromise on which it is based, are expressly intended to and do cover and include a release by Plaintiff and each Settlement Class Member of all such future injuries, damages, losses, or future consequences or results, including a release and waiver of all rights, causes of actions, claims, and lawsuits against the Releasees that may exist or arise in the future because of such future injuries, damages, losses, or future consequences or results of known or unknown injuries that relate to, or arise out of the Released Claims.
- E. Plaintiff and each Settlement Class Member expressly waives and relinquishes all rights and benefits that he or she may have under, or that may be conferred upon him or her by, the provisions of any statute that provides that a release does not extend to a claim which the releasor does not know or suspect to exist in his or her favour at the time of executing the release, to the fullest extent that he or she may lawfully waive such rights or benefits pertaining to the Released Claims. In connection with such waiver and relinquishment, Plaintiff and each Settlement Class Member hereby acknowledges that he or she is aware that he/she or his/her lawyers may hereafter discover claims or facts in addition to, or different from, those which he or she now knows or believes to exist with respect to the Released Claims, but that it is his/her intention to hereby fully, finally, and forever settle and release all of the Released Claims, known or unknown, suspected or unsuspected, that he/she has against Releasees.
- F. Plaintiff and each Settlement Class Member expressly consents that this release shall be given full force and effect according to each of its terms and provisions,

including those relating to unknown and unspecified claims, injuries, demands, rights, lawsuits, or causes of action as referenced above. Plaintiff and each Settlement Class Member acknowledges and agrees that this waiver is an essential and material term of this release and the compromise settlement that led to it, and that, without this waiver, the compromise settlement would not have been accomplished. Plaintiff has been advised by his or her lawyer with respect to this waiver and, being of competent mind, understands and acknowledges its significance.

- G. Each Party expressly accepts and assumes the risk that, if facts with respect to matters covered by this Agreement are found to be other than, or different from, the facts now believed or assumed to be true, this Agreement shall nevertheless remain effective. It is understood and agreed that this Agreement shall constitute a general release and shall be effective as a full and final accord and satisfaction and is a bar to all actions, causes of action, costs, expenses, lawyer fees, damages, claims, and liabilities whatsoever, whether or not now known, suspected, claimed, or concealed, pertaining to the Released Claims of this Agreement.

X. COVENANT NOT TO SUE

Plaintiff, on behalf of themselves and each of the Settlement Class Members who do not timely exclude themselves from the Settlement: (1) covenant and agree that neither Plaintiff nor any of the Settlement Class Members, nor anyone authorized to act on behalf of any of them, will commence, authorize, or accept any benefit from any judicial or administrative action or proceeding, other than as expressly provided for in this Agreement, against Releasees, or any of them, in either their personal or corporate capacity, or against anyone that might sue Defendant, including retailers and distributors of the Washers, with respect to any claim, matter, or issue that in any way arises from, is based on, or relates to, any alleged loss, harm, or damages allegedly caused by Releasees, or any of them, in connection with the Released Claims; (2) waive and disclaim any right to any form of recovery, compensation, or other remedy in any such action or proceeding brought by, or on behalf of, any of them or any putative class of Washer owners over the Released Claims; and (3) agree that this Agreement shall be a complete bar to any such action by any Plaintiff or Settlement Class Member.

XI. REPRESENTATIONS AND WARRANTIES

Each of the Parties represents and warrants, and agrees with, each of the other Parties as follows:

- A. Plaintiff represents and warrants that no portion of any claim, right, demand, action, or cause of action against any of the Releasees that Plaintiff has or may have arising out of the Lawsuit or pertaining in any way to the Washers, and no portion of any recovery or settlement to which Plaintiff may be entitled, has been assigned, transferred or conveyed by, or for, Plaintiff in any manner, except for such portion of the Settlement sum that has been assigned, transferred, or conveyed by Plaintiff to counsel to pay litigation fees and costs; and no Person or entity other than Plaintiff has any legal or equitable interest in the claims asserted in their respective Lawsuits.

- B. Each of the Parties to this Agreement further represents and warrants, and agrees with, each other Party hereto as follows:
1. Each Party has had the opportunity to receive, and has received, independent legal advice from his, her, or its lawyers regarding the advisability of making the Settlement, the advisability of executing this Agreement and the legal and tax consequences of this Agreement, and fully understands and accepts the terms of this Agreement.
 2. None of the Parties relies or has relied on any statement, representation, omission, inducement, or promise of the other Party (or any officer, agent, employee, representative, or attorney for the other Party) in executing this Agreement, or in making the Settlement provided for herein, except as expressly stated in this Agreement.
 3. Each of the Parties has investigated the facts pertaining to the Settlement and this Agreement, and all matters pertaining thereto, to the full extent deemed necessary by that Party and his, her, or its lawyers.
 4. Each of the Parties has carefully read, and knows and understands, the full contents of this Agreement and is voluntarily entering into this Agreement after having had the opportunity to consult with, and having in fact consulted with, his, her, or its lawyers.
 5. Each term of this Agreement, under the titles of the various Sections, is contractual and not merely a recital.
- C. Each of the Parties has authority to enter into this Agreement. The undersigned Plaintiff's Counsel represents that it has authority to enter into this Agreement and bind Plaintiff and their respective counsel.

XII. MISCELLANEOUS

- A. Confidentiality: The Parties understand and agree that this Agreement is confidential and shall not be disclosed to any third party (except as noted in the sentence that follows) until after it is filed with the Court as part of the motion for the Certification and Notice Approval Order. Prior to the filing of the Agreement, however, Defendant may share some or all terms of the Agreement with counsel for the plaintiffs in the lawsuit brought in the Superior Court of Québec with Court File No. 500-06-000816-161.
- B. Currency: All dollar amounts referenced herein are in Canadian dollars.
- C. Extensions of Time: Unless otherwise ordered by the Court, the Parties may agree in writing to reasonable extensions of time to carry out any of the provisions of this Agreement and corresponding Settlement.
- D. Mutual Non-Disparagement: To the extent permitted by law and the applicable rules of professional conduct, the Settlement is conditioned on the Parties' and their lawyers' agreement not to disparage Defendant, Plaintiff, or Class Counsel regarding the subject matter of the Lawsuit. The Class Representatives and

Class Counsel agree to not create, establish, or assist in the development of, or provide any content for, any print publication of any kind, website, social media, blog, "gripe" site, or radio, movie, television, or internet broadcast or video that criticizes Defendant with respect to the Lawsuit, the Settlement, or the Washers. The foregoing shall not restrict the ability of Class Counsel from performing their responsibilities to absent Settlement Class Members in connection with settlement approval proceedings, nor shall it restrict counsel's responsibilities to respond to orders of any court or other legal obligation. This provision shall not be interpreted to interfere or to limit any rights or obligations under the applicable rules of professional conduct.

- E. Severability: None of the terms of this Agreement is severable from the others. If the Court or any court exercising appellate jurisdiction rules that any term of this Agreement is void, illegal, or unenforceable for any reason, however, Defendant, in its sole discretion, and Plaintiff, in their sole discretion (but acting in accordance with their duties and obligations as representatives of the Settlement Class), may elect to waive any such deficiency and proceed with the Settlement under the terms and conditions approved by the Court.
- F. Entire Agreement of Parties: This Agreement constitutes and comprises the entire agreement between the Parties concerning the subject matter hereof. It supersedes all prior and contemporaneous oral and written agreements and discussions. It may be amended only by an agreement in writing, signed by the Parties.
- G. Conditional Nature of Agreement:
 - 1. At Plaintiff's option, expressed in written notice to Defendant's counsel, this Agreement shall become null and void, and no obligation on the part of any of the Parties will accrue, if the Court materially alters any of the terms of this Agreement to the detriment of Plaintiff or the Settlement Class, or fails to enter the Certification and Notice Approval Order or the Settlement Approval Order in substantially the form submitted by the Parties.
 - 2. At Defendant's option, expressed in written notice to Class Counsel, this Agreement shall become null and void, and no obligation on the part of any of the Parties will accrue, if (a) the Court declines to certify the Settlement Class as provided in the Certification and Notice Approval Order, or (b) the Court materially alters any of the terms of this Agreement to the detriment of Defendant, or fails to enter the Certification and Notice Approval Order or the Settlement Approval Order in substantially the form submitted by the Parties.
- H. Interpretation and Construction: Each Party has participated in the negotiation and drafting of all provisions of this Agreement, has had an adequate opportunity to read, review, and consider with his, her, or its own counsel the effect of the language of this Agreement, and has agreed to its terms. Accordingly, the legal maxim that "ambiguity shall be interpreted against the drafter" has no relevance to the interpretation or construction of this Agreement.

- I. Binding on Agents, Successors, and Assigns: This Agreement is binding on, and shall inure to the benefit of, the Parties and their respective agents, employees, representatives, officers, directors, parents, subsidiaries, assigns, executors, administrators, insurers, and successors in interest.
- J. Third-Party Beneficiaries: All Releasees other than the signatories to this Agreement are intended to be third-party beneficiaries of this Agreement.
- K. Cooperation in Implementation: Defendant, Plaintiff, and their respective counsel agree that they will abide by this Agreement and do all such acts, and prepare, execute, and deliver all such documents, as may reasonably be required to carry out the stated objectives of this Agreement.
- L. Governing Law: This Agreement shall be construed and governed in accordance with the laws of Ontario.
- M. No Admission of Liability: It is understood and agreed that the Settlement benefits provided in this Agreement, and this Settlement and release, are for the compromise of disputed claims and are not to be construed as, or deemed to be, an admission of any liability, fault or responsibility on the part of any of the Releasees, by whom liability and fault are, and always have been, expressly and completely denied.
- N. Continuing Jurisdiction: The Court shall retain jurisdiction over the Parties and the Agreement with respect to future performance of the terms of the Agreement.
- O. Signatures: This Agreement may be executed in counterparts, and, when so executed, shall constitute a binding original. Class Counsel's signature shall be construed to bind Plaintiff in this Lawsuit, and Class Counsel expressly represent that they have received authorization from the named Plaintiff, prior to executing this agreement.

(see attached)

Samsung Top-Loading Washer Litigation in Canada (excluding Quebec)

Notice of Class Certification and Settlement Approval Hearing

CANADA CLASS ACTION SETTLEMENT (EXCLUDING QUEBEC)

You may be eligible for compensation and other benefits from a class-action settlement involving certain Samsung top-loading washing machines.

A Settlement has been reached in a class action lawsuit in Ontario against Samsung Electronics Canada Inc. ("SECA") regarding alleged defects in certain Samsung and Kenmore brand top-loading washing machines ("Washers") that were the subject of voluntary recall announced on October 4, 2016 and updated on November 4, 2016 (the "Voluntary Recall"). The Plaintiff alleges that one or more of the Washers' top fasteners can detach from the Washers' chassis during operation ("Top Separation"). SECA denies the allegations in the lawsuit, and the Court has not decided who is right.

Class Action Certified for Settlement Approval: The proceeding is styled *Henriksen v. Samsung Electronics Canada Inc.*, filed in the London office of the Ontario Superior Court of Justice. The Court has, at the request of the Parties, certified this class action for the purposes of considering approval of the Settlement.

Who's Included? The Settlement Class includes all persons in Canada, other than Quebec residents, who purchased a Washer for household use. (There is a separate class action for Quebec residents that is not part of this settlement.) The Settlement Class does not include officers, directors or employees of SECA, and does not include any person who settled a small claims court case against SECA or who resolved an informal dispute with SECA and signed a release.

If you are a Settlement Class Member, please read this notice. **Ignoring this legal notice could affect your rights.**

What Washing Machines are Included?

A list of the subject top load washing machines can be found at [www.\[XXXX\].com](http://www.[XXXX].com).

What Are the Settlement Terms? The Settlement establishes a number of benefits for the Class, including:

1. Settlement Class Members who, before Settlement Approval, selected and received a Recall Rebate under the Voluntary Recall that was less than 15.5% of the Estimated Purchase Price of their Washer, and who are original purchasers, can request additional payment equal to the difference between the rebate amount they received and 15.5% ("Enhanced Minimum Recall Rebate").

2. Settlement Class Members who, after Settlement Approval and before the Claims Deadline, select a Recall Rebate under the Voluntary Recall, and who are original purchasers, may also be entitled to a comparable Enhanced Minimum Recall Rebate if their Recall Rebate is below 15.5%, or to a Settlement Recall Rebate fixed at 15.5% if they replace their Washer with a non-Samsung brand washer (and therefore do not receive a Recall Rebate).
3. Settlement Class Members who are original purchasers and received a Recall Repair under the Voluntary Recall, or who select a Recall Repair after the Settlement Approval and before the Claims Deadline, can request a Recall Repair Additional Benefit consisting of a \$25 - \$85 cash rebate for the purchase of a new Samsung microwave or Samsung Major Home Appliance.
4. In the unlikely event that Settlement Class Members experienced or experience Top Separation within seven years after purchasing their Washer, they may receive a full refund of the Washer's purchase price and reimbursement of certain related expenses to a maximum of \$100.
5. Settlement Class Members can request a free in home repair of their Washer's top for up to one (1) year after the Claims Deadline.

See the Settlement Agreement at [www.\[XXXX\].com](http://www.[XXXX].com), particularly Part IV thereof, for the specific terms and conditions of the settlement benefits. A summary of the Settlement Agreement by way of Frequently Asked Questions (FAQ) will also be available on the website. The Settlement Agreement also includes a release of claims by Settlement Class Members against the defendant.

The Court will hold a Settlement Approval Hearing on March 27, 2019 to consider whether to approve the Settlement, a request for lawyers' fees and disbursements of up to \$443,750 and a Service Award of \$1,500 to the Class Representative. If approved, SECA will pay these amounts in addition to the Settlement benefits.

What Are My Options Regarding the Settlement Approval Hearing?

Do Nothing. If you do nothing, your rights will be affected. If you are content with the Settlement and would like to receive benefits, you do not need to do anything at this time. Check the website below after March 27, 2019 to see if the Settlement has been approved, and/or provide the Settlement Administrator with your email address so that you can be notified if the Settlement is approved. If it is, you will need to complete and submit a Valid Claim Form and provide other documentation in order to receive one of the benefits listed above. Claim Forms will be available after approval at [www.\[XXXX\].com](http://www.[XXXX].com) or by calling 1-XXX-XXX-XXXX. The deadline to file your Claim Form will be published on the website after the Settlement is approved.

Opt Out. If you do not want to be legally bound by the Settlement or receive any Settlement benefits, you must exclude yourself from the Class Action by submitting an Opt-out Form by no later than **[Insert Date First Posted to Website], 2019**. Unless you opt-out, you will not be able to sue or continue to sue SECA for any claims resolved by this Settlement and released by the Settlement Agreement. The Opt-out Form and information about how and where to send it are available at [www.\[XXXX\].com](http://www.[XXXX].com).

Object to the Settlement. If you stay in the Settlement (i.e. you do not opt-out), you may object to it by filing a notice of objection. You may also appear at the Settlement Approval Hearing by

filing a notice of intention to appear. Your notice of objection and/or notice of intention to appear must be filed with the Court and served on Counsel no later than March 17, 2019. See part III.A.7 of the Settlement Agreement at [www.\[XXXX\].com](http://www.[XXXX].com) for information regarding objections and notices of intention to appear.

For more information, on the proposed Settlement, including your rights and options, visit [www.\[XXXX\].com](http://www.[XXXX].com) or call 1-XXX-XXX-XXXX.
