

Good Things are Happening.

We are pleased to announce that Good Law Office has joined McKenzie Lake Lawyers to expand our personal injury law services to the London and area community.

A long-time resident of London, Gordon brings over 35 years of experience in personal injury litigation. From the beginning of Gordon's career, his primary focus has been on representing the injured and their families in dealing with the insurance process. Gordon and his team will continue to provide guidance for all necessary rehabilitation and efforts to return to health.

In addition to Gordon's extensive experience, Gordon has been an active member of the Ontario Trial Lawyers' Association (OTLA) since 2005, having served as a Director for 15 years. He has also been a member the American Association for Justice trial lawyers association since 1996. He currently serves on the Insurance Section of the Ontario Bar Association and is an elected member of the OBA Council.

"I am thrilled that our team is joining McKenzie Lake Lawyers. It's an exciting opportunity to increase our level of service to our clients with the additional resources available through a client oriented, full service firm."
