**Judith Hull brings the essence
of compassionate personal injury
advocacy to McKenzie Lake Lawyers.**

As an alumni of Western University, Judith's roots in London run deep. For more than 20 years, she's led her practice with an entrepreneurial spirit built on service, integrity and results. Throughout this time, Judith has shared her knowledge as President of the Ontario Trial Lawyers Association, Governor of the Board of Governors for the American Association for Justice, and frequently speaking at various legal associations in Canada and the United States.

"Lives can be profoundly altered at times and in ways that people least expect. As an advocate, I understand that each of my clients has an inspiring story of survival, one that needs to be told with compassion and integrity, to achieve justice for the harms caused by others."
