RECITALS

WHEREAS the Plaintiff commenced this Action under the *Class Proceedings Act, 1992* on September 14, 2018 alleging that between 2008 and 2018, the Defendant failed to follow public health standards in the sterilization of medical instruments used at the Defendant's wound-care clinics, exposing the Plaintiff and Class Members to the risk of contracting serious communicable diseases, including hepatitis B, hepatitis C, and human immunodeficiency virus (HIV);

AND WHEREAS on September 22, 2020, Justice Tranquilli of the Ontario Superior Court of Justice certified this Action pursuant to the *Class Proceedings Act, 1992* and ordered that the Class be divided into two subclasses: the Infected Persons Class and the Uninfected Persons Class;

AND WHEREAS on October 3, 2022, Justice Tranquilli granted the Defendant's motion for partial summary judgment dismissing the claims of the Uninfected Persons Class;

AND WHEREAS counsel for the Parties to this Agreement have conducted a thorough analysis of the claims and have taken into account the extensive burdens and expense of further litigation, including the risks of appealing the partial summary judgment decision of Justice Tranquilli, dated October 3, 2022 and the risks of going to trial;

AND WHEREAS in consideration of all of the circumstances and after arm's-length negotiations, the Parties to this Agreement wish to settle any and all issues amongst themselves in any way relating to the Action;

AND WHEREAS after their investigation and negotiation, the Parties and their respective counsel have concluded that this Agreement provides substantial benefits to the Settlement Class Members and is fair, reasonable, and in the best interests of the Settlement Class Members;

AND WHEREAS the Parties agree and understand that neither this Agreement nor the settlement it represents shall be construed as an admission by the Defendant of liability relating to the claims or allegations in the Action;

3. For the purposes of implementing and effectuating the Notice Plan, the Parties agree that Epiq Class Action Services Canada, Inc. shall serve as Notice Administrator, subject to the approval of the Court.

4. The Settlement Fund will be used to pay Approved Claims, Administration Costs, Notice Plan Costs, the Representative Plaintiff Honourarium, Class Counsel Fees, interest and all applicable taxes in accordance with this Agreement in full and final settlement of the Action.
5. ParaMed will have no obligation to pay any amount in addition to the Settlement Fund, for any reason, pursuant to or in furtherance of this Agreement or the Action.
6. ParaMed shall pay to the Claims Administrator the entire amount of the Settlement Fund within sixty (60) days of the Court Approval Date, or as directed by the Court. Upon receipt of the Settlement Fund by the Claims Administrator, the Claims Administrator shall pay, from the Settlement Fund, the Class Counsel Fees and Representative Plaintiff Honourarium approved by the Court.

Once the Class Counsel Fees and Representative Plaintiff Honourarium approved by the Court have been paid out of the Settlement Fund, the Claims Administrator shall invest the remainder of the Settlement Fund so that it is earning interest during the claims process. 14. The Claims Administrator shall retain in hard copy or electronic form all Claim Forms and supporting documentation for one year after all Approved Claims have been determined under the Compensation Plan. The Claims Administrator shall thereafter destroy the documents, and shall notify ParaMed in writing that such documents have been destroyed.

SECTION 4: OTHER SETTLEMENT CONSIDERATION

15. The Parties agree that there shall be no costs associated with the Uninfected Persons Class, including disbursements, administration costs and notice costs.
16. The Parties agree that there shall be no costs for prior motions.

SECTION 5: OBJECTIONS

18. At the motion in which Court approval of the Notice of Settlement Approval Hearing is sought, the Parties agree to seek Court approval of a process for submitting objections. The Parties will seek approval of an objection process in which any Settlement Class Member who wishes to object to the fairness, reasonableness or adequacy of this Settlement, including the Compensation Plan, will be required to serve on the Claims Administrator, by the Objection Deadline, an Objection Form (attached as Schedule "E" to this Agreement), signed by the objector and containing the following information:
- (a) the objector's full name, address, email address, and telephone number;
 - (b) a statement that the objector meets the criteria for membership in the Settlement Class;
 - (c) to the best of the objector's recollection, a list of the objector's wound-care history at one or more of ParaMed's wound-care clinics during the Class Period, with treatment dates and clinic locations;
 - (d) a written statement of all factual and legal grounds for the objection accompanied by any legal support for such objection;
 - (e) copies of any papers, briefs or other documents upon which the objection is based;
 - (f) a statement setting out whether the objector intends to appear at the Approval Hearing; and
 - (g) a statement setting out whether the objector intends to appear at the Approval Hearing through counsel, and if so, identifying any counsel representing the objector who intends to appear at the Approval Hearing.
19. The objection process that the Parties agree to propose will provide that upon the expiry of the Objection Deadline, the Claims Administrator will deliver copies of each objection to Class Counsel and counsel for ParaMed and shall file them with the Court.

SECTION 6: COURT APPROVAL

20. It is understood and agreed that Court Approval of the Notice of Settlement Approval Hearing, Notice of Settlement Approval, Notice Plan, and this Agreement and Compensation Plan are required.
21. As soon as practical after execution of this Agreement, the Parties shall move to advise the Court of the Agreement and seek to schedule: (i) the Notice Approval Motion; and (ii) the Approval Hearing.
22. The Parties agree to file motion materials, as necessary, with respect to the Notice Approval Motion and Approval Hearing identified in paragraph 21 above, and counsel shall act reasonably and in good faith in preparing the contents of such motion materials.

23. Class Counsel shall bring a motion for Court approval of the Class Counsel Fees at the time of the Approval Hearing. ParaMed shall take no position on the quantum of Class Counsel Fees sought by Class Counsel on the motion.
24. Nothing in this Agreement or the Compensation Plan attached as **Schedule "A"** precludes the Parties from applying for an amendment to the Compensation Plan. The Parties may consent to procedural modifications to the Compensation Plan, such as extensions of time for certain steps without requiring Court approval, as long as such changes do not substantively affect the rights and remedies provided for in the Compensation Plan.

SECTION 7: RELEASES

25. On the Court Approval Date, each Settlement Class Member, whether or not he, she or they submit(s) a Claim or otherwise receive(s) compensation in accordance with the Compensation Plan, will be deemed by this Agreement to have completely and unconditionally released, remised and forever discharged the Releasees of and from any and all actions, counterclaims, causes of action, claims, whether statutory or otherwise, and demands for damages, indemnity, contribution, costs, interest, loss or harm of any nature and kind whatsoever, known or unknown, whether at law or in equity, and howsoever arising, which they may heretofore have had, may now have or may hereafter have, whether commenced or not, in connection with all claims relating to or arising out of the Action with respect to ParaMed's failure to follow public health standards in the sterilization of medical instruments used at ParaMed's wound-care clinics located at 124 Barker Street, 1340 Huron Street, and 148 Fullarton Street, Suite 200 in London, Ontario, except for any Claimant's entitlement to be paid in respect of an Approved Claim pursuant to the terms hereof.
26. On the Court Approval Date, each Settlement Class Member will be forever barred and enjoined from commencing, instituting, prosecuting, or continuing any action, litigation, investigation or other proceeding in any court of law or equity, arbitration, tribunal, proceeding, or, governmental, administrative or any other forum, directly, representatively, or derivatively, asserting against the Releasees any claims relating to or arising out of the Action;
27. On the Court Approval Date, each Settlement Class Member will be forever barred and enjoined from commencing, instituting, prosecuting or continuing any action, litigation, investigation or other proceeding in any court of law or equity, arbitration, tribunal, proceeding, or, governmental, administrative or any other forum, directly, representatively, or derivatively, against any person or entity that could or does result in a claim over against the Releasees or any of them for contribution, indemnity in common law, or equity, or under the provisions of the *Negligence Act*, RSO 1990, c N.1, and the amendments thereto, or under any successor legislation thereto, or under the *Rules of Civil Procedure*, RRO 1990, Reg 194, relating to or arising out of the Action. It is understood and agreed that if a Settlement Class Member commences such an action or takes such proceedings, and the Releasees or any of them, are added to such action or proceeding in any manner whatsoever, whether justified in law or not, such Settlement Class Member will immediately discontinue the action or proceeding and claims or

otherwise narrow the action or proceedings and claims to exclude the several liability of the Releasees. This Agreement shall operate conclusively as an estoppel in the event of any claim, action, complaint or proceeding that might be brought in the future by a Settlement Class Member with respect to the matters covered herein. This Agreement may be pleaded in the event that any such claim, action, complaint or proceeding is brought, as a complete defence and reply, and may be relied upon in any proceeding to dismiss the claim, action, complaint or proceeding on a summary basis and no objection will be raised by such Settlement Class Member in any subsequent action that the parties in the subsequent action were not privy to the formation of this Agreement.

28. On the Court Approval Date, the Action will be dismissed with prejudice and without costs against ParaMed.

SECTION 8: NO ADMISSIONS, NO USE

29. This Agreement, whether or not it is executed by the Parties or is terminated in accordance with paragraph 30 below, and any proceedings taken pursuant to this Agreement, are for settlement purposes only. Neither the fact of, nor any provision contained in this Agreement or its attached schedules, or any action taken hereunder, shall be construed as, offered in evidence as, and/or deemed to be evidence of a presumption, concession or admission of any kind by the Parties of the truth of any fact alleged or the validity of any claim or defence that has been, could have been or in the future might be asserted in any litigation, court of law or equity, proceeding, arbitration, tribunal, governmental, administrative or any other forum, or of any liability, responsibility, fault, wrongdoing or otherwise of any Parties except as may be required to enforce or give effect to the Settlement and this Agreement. For greater clarity, ParaMed denies the truth of the allegations in the Action and denies any liability whatsoever.

SECTION 9: TERMINATION

30. This Agreement may be terminated by either Party by delivering written notice within thirty (30) days and shall become null and void, and no obligation on the part of any of the Parties will accrue, if the Court declines to issue the Approval Order, if the Court issues an Approval Order that is materially inconsistent with the terms of the Settlement, or if an appeal of the Approval Order (if such an appeal lies) results in the Approval Order not becoming final.
31. For greater certainty, neither the Court's approval of Class Counsel Fees in an amount less than that sought by Class Counsel, nor the Court's refusal to approve Class Counsel Fees at all, nor the Court's refusal to approve the Notice Plan or Compensation Plan, shall constitute a refusal to issue the Approval Order, or any other basis for the termination of this Agreement.
32. This Agreement shall become fully effective and irrevocable on the Court Approval Date.
33. Unless the Parties agree otherwise, if this Agreement is terminated under paragraph 30 above, the Parties shall schedule a case management conference with the Court for orders:

- (a) declaring the Agreement to be null and void and of no force or effect;
 - (b) setting aside the Notice Approval Order on the basis of the termination of the Agreement; and
 - (c) imposing a timetable for next steps in the Action.
34. In the event that this Agreement is terminated under paragraph 30 above:
- (a) no person or Party shall be deemed to have waived any rights, claims or defences whatsoever by virtue of this Agreement;
 - (b) this Agreement and all negotiations, proceedings, documents prepared and statements made in connection herewith will be without prejudice to the Parties and Settlement Class Members, and will not be deemed or construed to be an admission or confession in any way by the Parties of any fact, matter or proposition of law;
 - (c) with the exception of this paragraph 34 and paragraph 29, this Agreement shall have no further force and effect, shall not be binding on any person or any of the Parties, and shall not be used as evidence or otherwise in any litigation or other proceeding for any purpose;
 - (d) the legal position of each of the Parties shall be the same as it was immediately prior to the execution of this Agreement, and each of the Parties may exercise its legal rights to the same extent as if this Agreement had never been executed; without limiting the generality of the foregoing, the releases and claims bars in paragraphs 25-27 shall be null and void and of no force and effect whatsoever;
 - (e) notice of the termination shall be published on the website of Class Counsel within 72 hours of the termination; and
 - (f) the Claims Administrator will return the amount ParaMed has paid to the Claims Administrator, if any, plus all interest incurred thereon.

SECTION 10: GENERAL

- 35. This Agreement shall be governed, construed, and interpreted in accordance with the laws of the Province of Ontario.
- 36. This Agreement constitutes the entire agreement between the Parties and may not be modified or amended except in writing, on consent of the Parties, and with Court approval.
- 37. This Agreement may be signed by the Parties in counterpart, which shall have the same effect and enforceability as a single executed document.

IN WITNESS WHEREOF, each of the Parties has caused this Agreement to be executed on his/her/its/their behalf by his/her/its/their duly authorized counsel of record, effective as of March 20, 2023.

6. A Claimant shall submit one Claim Form that comprises all of the Claims that he/she/they may have arising from this Agreement. If more than one Claim Form is submitted, the Claims Administrator will treat them as one Claim Form.
7. If a Claim is being submitted on behalf of a Claimant by his/her/their estate or another person designated to act on behalf of the Claimant, the person completing the Claim shall explain on the Claim Form why he/she/they has/have the authority to act on the Claimant's behalf, and shall attach a copy of any Certificate of Appointment of Estate Trustee, Power of Attorney or other document establishing that authority.
8. The Class List will be provided to the Claims Administrator by ParaMed by the Court Approval Date. The Claims Administrator shall review each Claim Form and the attached supporting documentation and verify, within 30 days of receipt of the Claim, that the Claimant is eligible to claim for compensation as follows:

 - (b) for an individual making a Claim on behalf of a Settlement Class Member or a Settlement Class Member's estate, the Claims Administrator shall be satisfied that (i) the individual has legal authority to act on behalf of the Settlement Class Member or the Settlement Class Member's estate in respect of financial affairs; (ii) the person or estate on whose behalf the Claim is submitted is listed on the Class List; (iii) the person or estate did not opt out of the Action; (iv) the Claim is not otherwise an Excluded Claim; and (v) the person or estate on whose behalf the Claim is submitted was infected with HIV, hepatitis B and/or hepatitis C after he/she/they received wound care from ParaMed between January 1, 2008 and July 27, 2018;

- (c) if a Claim Form is submitted by or on behalf of an individual who is not on the Class List, the Claims Administrator shall deliver the Claim Form to ParaMed, and ParaMed shall make best efforts to review the Claim Form and determine whether the individual was inadvertently excluded from the Class List and:
 - (i) if ParaMed determines the individual should be included on the Class List, ParaMed shall advise the Claims Administrator and update the Class List to include the Claimant;
 - (ii) if the individual should not be included on the Class List, ParaMed shall notify the Claims Administrator, and the individual shall not be added to the Class List;
 - (d) if a determination is made by the Claims Administrator that an individual who has submitted a Claim Form is not eligible for compensation for the reasons set out in paragraph (a) or (b) above, the Claims Administrator shall send out a notice, with a copy of the notice and Claim Form to ParaMed, advising the individual who submitted the Claim Form of this determination, within ten (10) business days of the Claims Administrator's determination of ineligibility; and
 - (e) ParaMed shall make best efforts to assist the Claims Administrator in determining whether any Claims are Excluded Claims.
9. The Claims Administrator shall make its determination based on the Claim category/categories claimed and whether the supporting documentation requirements are met (i.e., whether the documentation submitted with the Claim Form supports a Claim under the category/categories claimed).
10. The quantum of the payments to Claimants with Approved Claims is set out in the Compensation Allocation System above. Pursuant to the Compensation Allocation System, the quantum of the payments to Claimants with Approved Claims will be determined as follows:
- (a) if, after satisfying the Class Counsel Fees in the amount approved by the Court, the Representative Plaintiff Honourarium in the amount approved by the Court, Administration Costs, Notice Plan Costs and applicable taxes, the amount remaining in the Settlement Fund is sufficient to pay all Claimants with Approved Claims the set payment amounts identified in the Compensation Allocation System for the category or categories claimed, the set payment amount(s) shall be paid to all Claimants with Approved Claims; or
 - (b) if, after satisfying the Class Counsel Fees in the amount approved by the Court, the Representative Plaintiff Honourarium in the amount approved by the Court, Administration Costs, Notice Plan Costs and applicable taxes, the amount remaining in the Settlement Fund is not sufficient to pay all Claimants with Approved Claims the set payment amounts identified in the Compensation Allocation System for the category or categories claimed, the quantum of the payments to all Claimants with Approved Claims shall be reduced *pro rata* (i.e.,

adjusted downward such that each Claimant with an Approved Claim receives the proportionate share of the amount remaining in the Settlement Fund based on the relative values of the set payment amounts of each Claim category).

11. If a Settlement Class Member is unable to execute a Claim Form due to lack of legal capacity, a Claim Form may be executed by the Public Guardian and Trustee as authorized to act on behalf of the Settlement Class Member or by any other legally recognized guardian.
12. The claims process is intended to be expeditious, cost effective and user friendly, and to minimize the burden on Claimants. The Claims Administrator shall, in the absence of reasonable grounds to the contrary, assume the Claimants to be acting honestly and in good faith. The Claims Administrator shall nonetheless require that each Claimant meet the documentary requirements set out in this Agreement in respect of each Claim.
13. Where a Claim Form contains minor omissions or errors, the Claims Administrator shall correct such omissions or errors if the information necessary to correct the error or omission is readily available to the Claims Administrator.
14. The claims process is also intended to prevent fraud and abuse. If, after reviewing any Claim Form, the Claims Administrator believes that the Claim is fraudulent, the Claims Administrator shall disallow the Claim in its entirety.
15. Where the Claims Administrator disallows a Claim in its entirety under paragraph 14, the Claims Administrator shall send to the Claimant, at the Claimant's postal or email address as indicated in the Claim Form, a notice advising the Claimant of the decision and that he/she/they may make a request for reconsideration to the Claims Administrator within twenty-one (21) days of the date of the notice advising of the disallowance of the Claim in its entirety (see "Reconsiderations" at paragraphs 21-26 below).

Payments by the Claims Administrator

16. As soon as possible after (i) all timely Claim Forms have been processed; (ii) the time to request a reconsideration has expired; and (iii) all requests for reconsideration have concluded, the Claims Administrator shall review its determinations and shall allocate amounts to successful Claimants from the Settlement Fund subject to the following limitations:
 - (a) there will be no compensation for an Excluded Claim;
 - (b) if, after satisfying the Class Counsel Fees in the amount approved by the Court, the Representative Plaintiff Honourarium in the amount approved by the Court, Administration Costs, Notice Plan Costs and applicable taxes, the amount remaining in the Settlement Fund is sufficient to pay all Claimants with Approved Claims the set payment amounts identified in the Compensation Allocation System for the category or categories claimed, the set payment amount(s) shall be paid to all Claimants with Approved Claims; and

(c) if, after satisfying the Class Counsel Fees in the amount approved by the Court, the Representative Plaintiff Honourarium in the amount approved by the Court, Administration Costs, Notice Plan Costs and applicable taxes, the amount remaining in the Settlement Fund is not sufficient to pay all Claimants with Approved Claims the set payment amounts identified in the Compensation Allocation System for the category or categories claimed, the quantum of the payments to all Claimants with Approved Claims shall be reduced *pro rata*.

17. Upon completion of paragraph 16 above, the Claims Administrator shall prepare a Successful Claims Report advising ParaMed of the Approved Claims and the amounts to be awarded to each successful Claimant.
18. Within sixty (60) days of the completion of the Successful Claims Report, the Claims Administrator shall mail the individual compensation cheques to the successful Claimants identified in the Successful Claims Report at the postal addresses indicated in the Claim Forms.
19. If, for any valid reason, a cheque is not cashed by the Claimant six (6) months after the date of the cheque, the Claimant shall forfeit the right to compensation and the funds shall be returned to ParaMed in accordance with paragraph 13 of the Agreement.
20. Thirty (30) days prior to the expiry of the six- (6-) month period described in paragraph 19 above, the Claims Administrator shall send the Claimant a further letter and attempt to contact the Claimant by telephone advising him/her/them that he/she/they has/have thirty (30) days to cash the compensation cheque.

Reconsiderations

21. An individual who has submitted a Claim Form under this Agreement and Compensation Plan is only entitled to notice of, and reconsideration, by the Claims Administrator, of, (i) a decision to disallow a Claim in its entirety under paragraph 14; and/or, (ii) a determination of ineligibility under paragraph 8. All other determinations of the Claims Administrator are final, and there is no further appeal or review of any decision of the Claims Administrator whatsoever to the Claims Administrator, Court, or any other court or tribunal.
22. For greater certainty, other than a decision to disallow a Claim in its entirety under paragraph 14, or a determination of ineligibility under paragraph 8, all decisions of the Claims Administrator, including those relating to, *inter alia*, any claims assessment, the quantum of compensation awarded under the Compensation Allocation System and Table 1 thereof, the sufficiency of a Claim, the sufficiency of the supporting documentation, timelines, the late delivery of any Claim or component of a Claim or supporting documentation, or any other matter relating to the claims process are final, and the Parties expressly agree that these decisions may not be appealed to or put before the Court or any other court or tribunal for any review or a determination.
23. The request for reconsideration shall identify that a request for reconsideration is being made (i) because the Claim was disallowed in its entirety under paragraph 14, or (ii)

because a determination of ineligibility was made under paragraph 8, and shall concisely state, in no more than one (1) page, the basis for the request, but shall not contain any additional evidence, documents, or materials not originally included with the Claim Form. Any request for reconsideration must be received by the Claims Administrator within twenty-one (21) days of the date of the notice advising of the disallowance of a Claim in its entirety or the determination that the Claim is ineligible. If no request for reconsideration is received by the Claims Administrator within this time period, the individual submitting the Claim Form shall be deemed to have accepted the determination of the Claims Administrator, and the determination shall be final and binding and not subject to further appeal or review by any court or other tribunal.

24. Where a timely request for reconsideration is filed with the Claims Administrator in accordance with paragraph 23 above, the Claims Administrator shall advise ParaMed of the request and conduct a review of the request for reconsideration. The Claims Administrator must issue its decision on the reconsideration to the individual who submitted the Claim and ParaMed within fourteen (14) days of receipt of the request for reconsideration.
25. Following its determination on a request for reconsideration, the Claims Administrator shall advise the individual submitting the Claim of its determination of the request for reconsideration. In the event the Claims Administrator reverses or modifies its decision, the Claims Administrator shall send a notice specifying the revision to the disallowance or decision to the postal or email address as indicated in the Claim Form.
26. The determination of the Claims Administrator in response to a request for reconsideration is final and binding and is not subject to further review by or appeal to any court or other tribunal.

FREQUENTLY ASKED QUESTIONS

(1) Why did I receive this Notice?

You are receiving this Notice because ParaMed's records indicate that you received wound care involving the use of medical instruments at ParaMed's clinics located at 124 Barker Street, 1340 Huron Street, and 148 Fullarton Street, Suite 200 in London, Ontario between January 1, 2008 and July 27, 2018 and were contacted by ParaMed and advised that you may have been exposed to infection and should be tested for hepatitis B, hepatitis C, and HIV. If you subsequently tested positive for hepatitis B, hepatitis C, or HIV, you may be entitled to claim certain compensation offered by the proposed Settlement if the proposed Settlement is approved by the Court and you submit a valid and timely Claim.

You have a right to know about the proposed Settlement and your options before the Court decides whether to approve the proposed Settlement. If the Court approves the proposed Settlement, ParaMed will provide the payments agreed to in the Settlement Agreement to Settlement Class Members who submit valid and timely Claims. This Notice explains the class action lawsuit, the proposed Settlement, your legal rights, what compensation is available, who is eligible for that compensation, and how to make a Claim for that compensation. Please read this entire Notice carefully.

(2) What is the class action about?

Kellesis v ParaMed Inc., Ontario Superior Court of Justice Court File No. 1862/18 is a certified class action lawsuit against ParaMed. The lawsuit alleges that ParaMed failed to follow public health standards in the sterilization of medical instruments used at its wound-care clinics, exposing the Plaintiff and Class Members to the risk of contracting serious communicable diseases, including hepatitis B, hepatitis C, and HIV. ParaMed denies any liability.

(3) Why is there a Settlement?

The Parties have agreed to the proposed Settlement to avoid the cost and risk of further litigation, including potential trials, and to provide Settlement Class Members with reasonable compensation in exchange for releasing ParaMed from liability. The proposed Settlement does not mean that ParaMed did anything wrong, and the Court did not decide which Party was right.

The Parties entered into a Settlement Agreement. The individual who filed the Action (called the "Representative Plaintiff") and Class Counsel believe that the proposed Settlement is fair, reasonable and in the best interests of the Settlement Class.

(4) How do I know if I am part of the Settlement?

For the purposes of the proposed Settlement, all persons who received wound care involving the use of medical instruments at ParaMed's clinics located at 124 Barker Street, 1340 Huron Street, and 148 Fullarton Street, Suite 200 in London, Ontario between January 1, 2008 and July 27, 2018 and who were contacted by ParaMed and advised that they may have been exposed to infection and should be tested for hepatitis B, hepatitis C, and HIV, and who tested positive for hepatitis B, hepatitis C, or HIV are Settlement Class Members. Where such person is

deceased, the personal representative of the estate of the deceased person is a Settlement Class Member. Not all Settlement Class Members are eligible to receive compensation. Some exceptions apply (see below).

(5) Who is excluded from the Settlement?

Only Settlement Class Members who meet certain criteria are eligible to submit Claims in the Settlement. You are excluded from making a Claim in the proposed Settlement if:

- (a) you are not a Settlement Class Member under the terms of the Settlement Agreement;
- (b) you previously and validly opted out of this class action in writing; and/or
- (c) you previously settled claims against ParaMed and executed a release in favour of ParaMed in relation to matters that are the subject of this class action.

(6) Why are Uninfected Persons Class Members not part of the Settlement?

On September 22, 2020, the Honourable Justice Tranquilli of the Ontario Superior Court of Justice certified this Action as a class action and ordered that the Class be divided into two subclasses: the Infected Persons Class and the Uninfected Persons Class. On October 3, 2022, the Honourable Justice Tranquilli granted ParaMed’s motion for partial summary judgment dismissing the claims of the Uninfected Persons Class. Uninfected Persons Class Members are not part of the Settlement because their claims were dismissed on October 3, 2022.

(7) What is available under the Settlement?

Under the proposed Settlement, ParaMed will pay **\$195,000.00** to settle the Action. This amount includes payment of Approved Claims, Administration Costs, Notice Plan Costs, the Representative Plaintiff Honourarium, Class Counsel Fees, interest and all applicable taxes.

Under the proposed Settlement, Settlement Class Members (those who received wound care involving the use of medical instruments at ParaMed’s clinics located at 124 Barker Street, 1340 Huron Street, and 148 Fullarton Street, Suite 200 in London, Ontario between January 1, 2008 and July 27, 2018 and who were contacted by ParaMed and advised that they may have been exposed to infection and should be tested for hepatitis B, hepatitis C, or HIV, or where such person is deceased, the personal representative of the estate of the deceased person, and who are not excluded from the Settlement Class) may be eligible for compensation under one or more of the following Claim categories, provided that they submit a valid and timely Claim:

Hepatitis C Claim	A Hepatitis C Claim may be brought by a Settlement Class Member who tested positive for hepatitis B after receiving wound care involving the use of medical instruments at ParaMed’s clinics, or where such person is deceased, the personal representative of the estate of the deceased person.	\$10,000

Settlement Class Members may claim for multiple Claim categories in their Claim Form (i.e., Claimants may stack claims and receive compensation for both an HIV Claim and a Hepatitis B Claim, for example), **provided that they submit, with the completed Claim Form, supporting documentation for each Claim category claimed.** The quantum of the payments to Settlement Class Members with Approved Claims will be reduced *pro rata* if the Settlement Fund is insufficient to pay all of the Approved Claims the payment amounts set out in the table above.

(8) How do I make a Claim?

The claims process has not yet begun. If the proposed Settlement is approved by the Court at the Approval Hearing to be held on ●, you may make a Claim by doing the following:

- (1) fill out the Claim Form;
- (2) include the supporting evidence and documentation specified on the Claim Form; and
- (3) submit the Claim Form and supporting evidence and documentation to the Claims Administrator by mail (at the address listed on the Claim Form) or by email (at the email address listed on the Claim Form) on or before the deadline to submit a Claim Form (3 months after the Court Approval Date).

Please keep a copy of your completed Claim Form and all of the supporting evidence and documentation you submit for your own records.

If you fail to submit a Claim Form and supporting evidence and documentation on or before the deadline to submit a Claim Form, you will not be eligible for any compensation whatsoever (i.e., you will not get paid). Sending in a Claim Form late will be the same as doing nothing.

If you are claiming more than one Claim category (for example, an HIV Claim and a Hepatitis B Claim), please use one Claim Form to comprise all of your Claims and submit supporting documentation for each Claim category claimed.

(9) What evidence do I need to prove my Claim?

Supporting documentation must be submitted with the Claim Form. The supporting documentation required is documentation from a doctor or other medical professional demonstrating (1) that you are/were infected with HIV, hepatitis B and/or hepatitis C, and (2) the date of your diagnosis. Supporting documentation is required for each Claim category claimed.

(10) Can I submit a Claim on behalf of someone else?

Yes, you can submit a Claim on behalf of someone else if you have legal authority to do so. If a Claim is being submitted on behalf of someone else, the person completing the Claim must explain on the Claim Form why he/she has the authority to act and must attach a copy of any Certificate of Appointment of Estate Trustee, Power of Attorney or other document establishing that authority.

(11) If my Claim is successful, when will I receive my compensation?

The Claims Administrator will mail individual compensation cheques to successful Claimants at the postal addresses indicated in the Claim Forms.

The Claims Administrator cannot mail the individual compensation cheques until (i) all timely Claim Forms have been processed; (ii) the time to request a reconsideration has expired; (iii) all requests for reconsideration have concluded; (iv) the Claims Administrator has reviewed its determinations and has allocated amounts to successful Claimants; and (v) the Claims Administrator has prepared a Successful Claims Report advising ParaMed of the Approved Claims and the amounts to be awarded to each successful Claimant. The Claims Administrator will mail the individual compensation cheques within sixty (60) days of the completion of the Successful Claims Report. This process will take some time, and your patience is appreciated. When the cheques have been mailed, an announcement will be posted on Class Counsel's website.

(12) Who will review my Claim?

The Parties agree that they will seek to have the Court appoint as the Claims Administrator Class Counsel and any employees of Class Counsel tasked with implementing and administering the Settlement and the claims process. The Claims Administrator will conduct an initial review of all Claims to verify that the Claimant is eligible to claim for compensation.

Once the Claims have been verified, the Claims Administrator will review the Claim Form and supporting documentation to determine the compensation category or categories, if any, for which a Claimant is eligible.

(13) What if my Claim is found to be incomplete?

The Claims Administrator will review each Claim Form for completeness. If your Claim Form is incomplete, the Claims Administrator will let you know within twenty (20) business days of receiving your Claim Form. You will then have to complete the Claim Form within the later of (i) sixty (60) days from the date that the Claims Administrator advises you that your Claim Form is incomplete; or, (ii) the deadline to submit a Claim Form and supporting documentation.

(14) Do I have a lawyer in this case?

(15) How will the lawyers representing the Settlement Class be paid?

At the Approval Hearing, Class Counsel will ask the Court for approval of the payment of their fees and other expenses out of the \$195,000.00 Settlement Fund. It will be up to the Court to approve or determine the amount that Class Counsel will receive from the \$195,000.00 Settlement Fund. You may continue to check on the progress of Class Counsel’s request for fees and expenses by visiting <https://www.mckenzielake.com/paramed-class-action/>.

(16) What if I don’t agree with the Settlement?

Objections submitted after this date will not be considered.

If you want to speak at the Approval Hearing, you must indicate that you intend to do so in your Objection Form. You can hire a lawyer to appear on your behalf at your own expense or you may appear yourself. If you do not state your intention to appear in your Objection Form, or you do not submit a signed and completed Objection Form before [the **Objection Deadline**], you will waive all objections and can be barred from speaking at the Approval Hearing.

(17) What is the Approval Hearing?

The Court will hold a hearing to decide whether to approve the proposed Settlement and Class Counsel Fees. You may attend and you may ask to speak, subject to the requirements above, but you do not have to attend.

(18) When is the Approval Hearing?

The Approval Hearing will take place before the Ontario Superior Court of Justice on ● at 10:00 am EST by video conference at the London Courthouse, 80 Dundas Street, London, ON N6A 6A3.

At this Settlement Approval Hearing, the Court will consider whether the proposed Settlement is fair, reasonable, and in the best interests of the Settlement Class. If there are objections, the Court will consider them. The Court will listen to Settlement Class Members who have asked to speak at the Settlement Approval Hearing. After the Settlement Approval Hearing, the Court will decide whether to approve the proposed Settlement. We do not know how long this decision will take.

At the Settlement Approval Hearing, the Court will also decide how much to pay the lawyers acting for the Settlement Class Members (“Class Counsel”). That amount will be paid out of the \$195,000.00 Settlement Fund.

If you submit an objection, you do not need to attend in Court to talk about it. As long as you have mailed your signed and completed Objection Form on time, the Court will consider it. You may also attend or pay your own lawyer to attend, but it is not necessary.

Settlement Class Members do not need to attend the Settlement Approval Hearing or take any other action to indicate their approval of the proposed Settlement. Class Counsel will answer any questions that the Court may have.

(20) What happens if I do nothing at all?

If the Court approves the proposed Settlement and you do nothing at all, you will not receive any compensation from the proposed Settlement. In order to receive compensation in the proposed Settlement, you must submit a Claim Form with the supporting evidence and documentation specified on the Claim Form. Unless you previously and validly excluded yourself (opted out), you won't be able to start a lawsuit, continue a lawsuit, or be part of any other lawsuit against ParaMed about the legal issues in this class action.

However, even if you take no action, you will keep your right to sue ParaMed for any other claims not resolved by the Settlement, subject to any applicable limitation periods.

What is the purpose of this Notice?

This Notice is to inform you that the Ontario Superior Court of Justice has approved the Settlement reached in a certified class action lawsuit against ParaMed Inc. ("ParaMed"): *Kellesis v ParaMed Inc.*, Ontario Superior Court of Justice Court File No. 1862/18. The lawsuit alleges that ParaMed failed to follow public health standards in the sterilization of medical instruments used at ParaMed's wound-care clinics, exposing the Plaintiff and Class Members to the risk of contracting serious communicable diseases, including hepatitis B, hepatitis C, and HIV. ParaMed has not been found liable for any of the claims advanced in this lawsuit. The Parties have instead reached a voluntary Settlement. The Settlement was approved on [date].

What is available under the Settlement?

Depending on the infection(s) suffered, eligible Settlement Class Members may make one or more of three categories of Claims: a Hepatitis B Claim (\$15,000), a Hepatitis C Claim (\$10,000), or an HIV Claim (\$25,000). The quantum of the payments to Claimants with Approved Claims will be reduced *pro rata* if the Settlement Fund is insufficient to pay all of the Approved Claims. Contact McKenzie Lake Lawyers LLP ("Class Counsel" and "Claims Administrator") for more information about eligibility and supporting evidence for making a Claim.
