

Adoption

Adoption is a rewarding but complex process. Adoption is when a person or family takes on the permanent responsibility of caring for and raising a child that is not their genetic child. There are only a few lawyers within the province of Ontario with the experience to guide you through this process

Contact Us

If you are considering adoption or have questions about this process, contact our team by [email](#) or by telephone at [\(519\) 672-5666](#) or [Get Started Online](#). If corresponding by email, be sure to include your name and telephone number.
