

**“You know, farming looks mighty easy when your plow is a pencil, and you’re a thousand miles from the corn field.” – Dwight D. Eisenhower**

We are seasoned Agri-Business Lawyers in Guelph and London, Ontario. We are responsive, pro-active, forward-thinking, innovative and completely scalable, which means you get only the services you need when you need them at affordable costs.

Did we say reasonable? We are reasonable too. We go to great lengths to avoid court, but will go if we have to, and when we do go, our track record has been impeccable. We have won cases before the Ontario Court of Appeal, Ontario Superior Court of Justice, the Ontario Energy Board, the Mining Commissioner and arbitrations. As Agri-Business Lawyers London Ontario go, we do it well!

Farms and agri-business occupy a special place in our hearts. Since 1981, we have been trusted advisors to farmers in Southwestern Ontario. We have helped many of those clients “grow” from simple operations to become some of the largest agri-business operations in the Province.
