

Business Law & Financial Services Law

Our team of corporate and business lawyers includes legal veterans with decades of experience and international reputations.

Our business and financial services lawyers have extensive experience in all areas of business law and commercial transactions, including the formation of new businesses, as well as the purchase, sale, financing and management of ongoing business operations. Business owners regularly call on our team of corporate and business lawyers for advice and guidance concerning business contracts, including shareholder agreements, partnership agreements, franchise agreements and construction contracts.

As a regional leader in the area of financial services law, our business lawyers regularly represent borrowers, banks and other lenders in all types of financing transactions. Combining with our extensive experience in real estate matters, McKenzie Lake is where banks, developers and builders turn for sound, cost-effective advice in relation to real estate-based financing transactions, including land development, construction financing, builder finance and commercial mortgage lending.
