

Commercial Litigation

Our team of experienced commercial litigators provide their clients with a competitive edge in dispute resolution.

The commercial litigation group at McKenzie Lake services a wide range of clients, including large institutions, real estate developers and small business owners. At McKenzie Lake, we work with our clients to achieve dispute resolutions which are creative, practical and, wherever possible, investigate [alternative dispute resolution](#) including mediation and arbitration.

We believe that our team of experienced litigators gives your business a competitive edge in dispute resolution. Based on our record of successful commercial litigation, we've earned the respect of clients, opposing counsel and members of the judiciary.

Our litigators have demonstrated skill and experience in a wide range of business disputes including:

- Corporate disputes including shareholder claims and oppression remedies
- Breach of contract claims
- Construction litigation
- Commercial leasing disputes
- Debt recovery
- Franchise disputes
- Mortgage enforcement
