## David' s Biography

Early on as a part-time Crown Attorney, David attained a great deal of trial experience thus making him very comfortable in the courts pursuing a claim on behalf of clients.

Over time David has litigated in all levels of Ontario courts and in front of numerous tribunals.

As an experienced [insurance law](#) lawyer, David has represented insurance companies for over 36 years. Other areas of practice that David enjoys and has developed a special interest in are fisheries, environmental law, [indigenous law](#), [health law](#), and [employment law](#). All of these areas come together to create a wealth of experience and allow David to participate with the team at McKenzie Lake.

On a personal level David enjoys participating in the community on boards and has been chair of St. Joseph's Health Care and St. Joseph's Health Care Foundation Boards. Ethics and Human Resource committees at the hospital have provided David with a good deal of background information and insight not only in the area of healthcare but in the area of personal injury.

David is also one of the few licensed adoption lawyers in the
