

Energy Law

We act for farmers and other landowners on wind, oil and gas matters. We do not act for operators.

We have had success for landowners before the Ontario Court of Appeal, the Ontario Court of Justice, the Ontario Energy Board and the Mining Commissioners of Ontario in oil and gas disputes and gas storage applications.

If you are interested in the work we do in Energy law London or speaking with Jed Chinneck who was a geologist before becoming a lawyer, please contact us.
