

Public Infrastructure Projects

Our public infrastructures team has served as legal advisors to public sector sponsors, lenders, bidding proponents and contractors

Infrastructure Projects

McKenzie Lake has significant experience in all areas of public-private alternative procurement and infrastructure projects. Drawing from our expertise in the areas of financing, construction, real estate and commercial law, McKenzie Lake has served as legal advisors to public sector sponsors, lenders, bidding proponents and other project participants. Through integrating our professionals across practice areas from within the firm, McKenzie Lake can provide the expertise required to successfully guide our clients through the project process, from the RFP stage all the way to commercial and financial close.
