

# Real Estate Law

Purchase, sale, development, negotiations or documentation – our real estate team is involved at every step to ensure a smooth transaction.

## Our Experience With Real Estate Law

Through our expertise and exceptional service, we provide our clients with hassle-free real estate transactions for both commercial and residential properties. Whether you're buying your first home, registering a plan of subdivision or embarking on a commercial joint venture, our team of real estate lawyers will protect your interests, help you structure financing and provide counsel throughout the process. We also co-ordinate the details between real estate agents, brokers, lending institutions and other third parties to ensure a smooth transaction.

Our commercial real estate law group, one of the largest in Southwestern Ontario, acts in connection with land development projects, dispositions and acquisitions of real property, and commercial financing. We have extensive experience in land use and environmental planning, expropriations, re-zoning, minor variances, site-plan development, establishing plans of subdivisions and working with various municipalities
