

# Short & Long Term Disability Claims

If you are unable to work as a result of an accident or disability, and have access to disability benefits, you may be entitled to short term disability or long term disability benefits.

However, for some individuals, gaining access to these benefits can be challenging when the insurer denies or terminates a claim.

If your claim for short term or long term disability benefits has been denied or your benefits terminated, the personal injury lawyers at McKenzie Lake Lawyers LLP in London, Ontario can help you understand what your options may be.

When you have a legal matter and need to hire a lawyer, you may be able to pay for these services on a contingency basis. That means you only pay legal fees if you receive money because your case wins or you get a negotiated settlement. Please see our [Contingency Fee section](#) for answers to frequently asked questions and see each lawyer's individual biography for their maximum contingency fee rates.
